

## Safety instructions for lime-based adhesive primer

- Safety advice for lime-based adhesive primer:
- 1. **Product handling**: Lime-based adhesive primers have an alkaline reaction. Avoid contact with skin and eyes to prevent irritation or burns.
- 2. **Personal protective equipment (PPE)**: Wear suitable protective clothing, including gloves, goggles and respiratory protection, to prevent skin contact, inhalation of dust and eye contact.
- 3. **Ventilation**: Ensure good ventilation of the work area to minimise the concentration of dust in the air.
- 4. **First aid** - **In case of skin contact**: Rinse immediately with plenty of water and remove contaminated clothing.

If irritation persists, consult a doctor.- **In case of contact with eyes**: Rinse eyes immediately with plenty of water and seek medical attention.- **In case of inhalation**: Remove to fresh air and keep at rest in a comfortable breathing position. Seek medical attention if breathing is difficult.

- 5. **Storage**: Store in a cool, dry place and always keep container tightly closed to avoid moisture penetration.
- 6. **Disposal**: Dispose of unused material and packaging in accordance with local regulations.
